In an effort to improve our service to our patients, we would like to institute a program to better improve our communication with you by e-mail. This will not take the place of one-on-one encounters. However, we would like to be able to dispense general information, verify appointments, and advise you of test results that do not require an office visit.

If you would like to receive information about our medical practice via e-mail, please give us your e-mail address below

If you have any questions, please feel free to contact Dr. Strzinek, Sharon Fowler or Sara Toler.
